Dear Parents/Carers

Family Learning Day ~ Wednesday 7th December

Last year, we decided to try something new in Foundation Stage. We wanted to share what we do in school with our families, by inviting you to come and join us for a family learning day. Everyone said they loved it, so we are repeating it again this year.

You are invited to come for one session during the day, when you can share in learning with your child and take part in some of our busy learning opportunities. Hopefully, you will be able to explore the outdoor learning environment as well as the classroom, and everyone will get to make something to take home. We will have 3 sessions when you can come: 9.15 – 10.15, 10.50 – 11.50, and 1.30 – 2.30.

The focus for this Family Learning Day will be Christmas phonics. Please return the slip at the bottom of the letter to let us know if you would like to come and which time of day would be best. Places will be allocated on a first come first served basis.

We look forward to seeing you on this special day.

Many thanks for all your support
