

Year 3 and 4 News

Friday 7th July 2016

News:

Year 3 had a fantastic time at Whipsnade Zoo! It was a great opportunity for them to see some of the animals that they have studied as part of their South America topic. Since returning to school, they have written a diary entry inspired by their day.

ICE Zone:

Inside, the children have started making their South American headdresses. They are coming along really well and we have loved seeing all of the bright colours and materials that the children have chosen to use.

Outside, the children have been making some amazing musical instruments on a South American theme!

Literacy

Year 3 have been busy planning their persuasive letters. They have worked hard to think about their arguments and are all focusing on using exciting persuasive sentence starters. Next week, the children will finish writing these.

Year 4 have been writing their very own persuasive letters to Mr Turner. The children are using a range of persuasive techniques to persuade him to let them have a tea party!

Numeracy:

In numeracy, the children have been working on statistics. The children used some data that they collected last week and have presented this in a bar chart. They then moved on to solving some tricky problems!

Year 4 have been practicing their fraction and decimals skills this week. They answered tricky questions and were able to explain how they worked them out.

Homework

As you are aware, the literacy homework has changed. The homework will be given out on Thursdays at the latest and will need to be handed in the following Monday.

There needs to still be an hour of Maths Whizz a week for the children.

Children also need to be reading regularly, please record this in their homelink books.

P.E. Kit Reminder

Please make sure that you send in your children with their PE kits on Monday as the days for some PE activities have changed.

Can we please make sure that we send the children in with sun hats as the sun may try and come out!
