

News from Foundation Stage

Friday 8th July

Summer time Special!

This is the last Phase news for Reception Year. We have had an enormously exciting and busy year. The children have made fabulous progress and we are really proud of them all.

FAMILY LEARNING DAY!

Thank you to all the families who came to last weeks open day when we explored maths in the early years. The children loved having visitors and enjoyed explaining to you all what they have been doing. They are continuing to count and add wherever they are. If you want to play the Save the whale game, or any others from the website over the summer, the address is www.ictgames.co.uk

LAST DAYS OF TERM

We hope to see you all for Sports day next week (weather looking hopeful!) and then we also have our big reward day next week. The children have been visiting their new classroom and meeting Mrs Goodwin and Mrs Dunn for stories and chats. We will collect in reading books next week in advance of the holidays.

It has been a privilege to share in learning with your children and we look forward to seeing their progress as they move through the school. Have a super summer holiday ~ you all deserve it! See you in September.

Wow!

Here is something amazing to share!
