

22nd June 2016

Sports day postponed

Dear parents and carers,

Due to the very uncertain weather forecast over the next 24 hours and the current condition of the field after so much rain during the past week, we have made the difficult decision to **postpone** tomorrow's sports day for KS1 and KS2.

With the grass being so green, any moisture on it at the moment is making it very slippery and the children also spend some time sitting and watching other events.

The safety of the children and the enjoyment for all competing and watching is our most important priority.

We will plan another date in before the end of term and give you further details this Friday.

Thanks for your continued support.

Mr John Turner
Assistant Headteacher
On behalf of Middlefield Primary Academy (part of TDLPT)
