

News from Foundation Stage

Friday 13th May

Big Bake

Next week, we will be busy baking for the Reception big bake. We are planning to make lots of tasty treats which we will sell to the buying public on Friday 20th May after school in the hall. The children will learn much from the experience ~ lots of maths talk and investigation with weighing, working together as a team and chattering as we work. All the proceeds from the sale will be spent on Reception, and we are looking at the possibility of extending our range of small world toys. We look forward to seeing you there, and if anyone would like to donate cakes, we would love them too!

Minibeast models

We really enjoyed making our bugs and beetles from boxes. The children were really focused and spent hours of great concentration designing, sticking and

making. We enjoyed standing up in front of the class and evaluating our models with our friends.

Sleepovers with Petal

Petal has been enjoying visiting her new friends from school. All the children in the class will get to have a visit before the end of term. We love to see the pictures on Facebook, so keep posting them!

Holiday happenings!

It won't be long until the half term break, so watch out for the holiday happenings sheets in book bags.

Wow!

Here is something amazing to share!
