

6th May 2016

Dear parents and carers,

At Middlefield we are blessed to have such fantastic outdoor learning areas for our children to enjoy throughout the school day. These areas are cared for by our staff and children, and the children are very aware of how to have fun and stay safe in these areas under the supervision of these staff.

However, it has come to our attention that a number of pre-school children are entering these areas at the beginning and end of the school day. Unfortunately, this has led to some of the plants and equipment being damaged. It is also unsafe as there are a range of potential trip hazards and other risks that are carefully managed by the staff during the school day.

We would like to remind you that at the beginning and end of the school day, no children should leave the playground areas or use any of the school's equipment, including toys and the trim trail. This is for the safety of the children and the protection of the areas which have so much work put into them. We will be monitoring this over the coming weeks.

Thanks for your understanding and continued support.

Yours sincerely

Mr Andrew Brown

Assistant Headteacher

On behalf on Middlefield Primary Academy (part of the DLPT)
