

Year 3 and 4

News

Friday 29th April 2016

News:

Year 3 and 4 have been working with Mr Cornell on some art projects this week. They have created some wonderful pieces using paints, charcoal, oil pastels and even pieces of fabric. Their work has been inspired by the South American artists: Guillermo Kuitca and Arturo Herrera.

Year 3 also attended their Poetry in Motion festival on Friday 29th April along with five other schools. They performed four poems that we have been learning over the last few weeks, which included 'Room on the Broom' by Julia Donaldson.

ICE Zone:

The children have already been working super hard out in the ICE zone!

Lots of the children have already completed research on a country in South America and some children have started to compare cities from around the world!

Literacy

Year 3 are coming to the end of their poetry unit. They have worked extremely hard to learn and perform several poems. They have also written their own poems based on our class poem, The Song of the Tyrannosaurus Rex.

Year 4 are learning all about stories from other cultures! We are focusing our lessons around the book, The Great Kapok Tree. The children will soon be taking on a role as a character.

Numeracy:

Year 3 have been exploring all kinds of measures this week. They started by practising their estimating and measurement skills and have finished off the week working with money. This included solving some tricky problems!

Year 4 have been busy recapping on fractions and division! The children have been using the chunking method to answer tricky division questions.

Homework

As you are aware, the literacy homework has changed. The homework will be given out on Thursdays at the latest and will need to be handed in the following Monday.

There needs to still be an hour of Maths Whizz a week for the children.

Children also need to be reading regularly, please record this in their homelink books.

P.E. Kit Reminder

Please make sure that you send in your children with their PE kits on Monday as the days for some PE activities have changed.

Can we please make sure that we send the children in with hats and gloves as the weather can still be very chilly?
