

Year 3 and 4 News

Thursday 24th March 2016

News:

Last week, Year 3 took part in the DLPT inter-sport games! They had a great morning playing football, netball and dodgeball. They had a great day and showed fantastic sportsmanship. It was a very close competition and they finished 2nd overall. Well done!

It was Sport Relief on Friday 18th and it was wonderful to see so many children in their funky socks. The children showed their support by taking part in the Sport Relief mile. Thank you for your generosity and support in raising money for this charity.

ICE Zone:

We would like to say how impressed we are with how the children have worked in the ICE zone this term. They have become a lot more independent with their learning and most children are heading onto finishing all the work set! Well done!

In the ICE zone next term, we are learning all about South America. For one gardening project we will need plastic bottles. If at all possible, could we ask that some plastic bottle donations are sent in? Many thanks!

Literacy

Year 3 have just finished writing their final stories based on our class book. They have worked extremely hard to improve on their individual targets. After Easter, we will be focussing on poetry.

Year 4 have been working hard on their Explanation texts. They have now written their final piece and are now checking and improving their work! After Easter, we will be focussing on Stories from other cultures.

Numeracy:

Year 3 have been learning all about position and direction. They have been working hard to use mathematical vocabulary to describe positions and give directions. They have also been solving problems by reading coordinates.

Year 4 have been focusing on classifying shapes over the past week. The children were also able to identify the types of angles found in these shapes! They are now revisiting time.

Homework

As you are aware, the literacy homework has changed. The homework will be given out on Thursdays at the latest and will need to be handed in the following Monday.

There needs to still be an hour of Maths Whizz a week for the children.

Children also need to be reading regularly, please record this in their homelink books.

P.E. Kit Reminder

Please make sure that you send in your children with their PE kits on Monday as the days for some PE activities have changed.

Can we please make sure that we send the children in with hats and gloves as the weather can still be very chilly?
