

Thursday 3rd March World Book Day 2016

Dear Parent/Carer,

On this special day please could your child bring their favourite book to school. We will spend some time sharing our books as a class to help promote World Book Day and a love of reading.

Perhaps they could read the blurb, prepare a book review, create an advert to persuade others to read it or just talk about why they like it so much.

Many thanks for your continued support.
