

Year 3 and 4

News

Friday 18th December 2015

News:

The performances this week were truly super and we would like to say a huge well done to all the children!

The children had a fantastic time on Reward Day. The silent disco was great fun!

Have a fantastic Christmas break everyone!

ICE Zone:

The children have been busily making lots of Christmas decorations and cards alongside their Roman work! The children will soon be taking part in a Roman march, using their shields!

Literacy:

Year 3 have just finished writing their own endings for our class book, the 'Ice Palace'. They worked extremely hard to create an exciting ending for the book and then compared their endings to the real book. The children have all really enjoyed this book and have produced some great work!

Year 4 have written some wonderful playscripts based on The Iron Man. The children did a super job remembering to include all the features. Next term we will be writing fantasy stories!

Numeracy:

Year 3 have been busy learning all about 3D shape. They have been studying the properties of a range of 3D shapes and have also been creating models of common 3D shapes. This was trickier than they first thought, but they persevered and managed to put together some great shapes!

Year 4 have been busy learning all about different types of data. This week children investigated the hypothesis 'Taller people have bigger feet', they busily collected their data and found out whether their hypothesis was correct or wrong!

Homework

The children will need to complete 3 hours of maths whizz over the holidays, this starts from the 14th December and ends on the 10th January.

Please could the children remember to read 3 times a week during the holidays!

P.E. Kit Reminder

Please make sure that next term you send your children in with their PE kits on a Monday as they may need them throughout the week.

Over the holidays please could we have a close inspection of PE kits and uniforms to make sure that they are all labelled clearly as some are starting to fade.
