

11th December 2015

Dear Parents/Carers

In my role I see all the fantastic work that goes into ensuring that our children have the very best education in our schools. So to say I am really pleased to be able to congratulate each school in the Trust on the excellent set of Year 6 SATs results last summer is an understatement. These results were officially published this week on the Department for Education Performance Tables website <http://www.education.gov.uk/schools/performance/>.

They are evidence of the really good foundations that have been laid all through every child's school years. All schools in the Trust have surpassed and exceeded the Governments floor targets.

The Diamond Learning Partnership Trust works really well as a team and I am proud to be associated with it. For me, it is a real privilege to be associated with such an imaginative and caring set of staff and to see how their work transforms the lives of our children. So I wish to thank all of the staff, as the progress made is a tribute to them all, from the office staff, school improvement teams, dinner ladies, teaching assistants, premises staff and teachers.

I would also like to take this opportunity to thank you all for your continued support for your school. These results would not have been possible without your positive involvement, and we look forward to your continued support next year. In the meantime, I hope that you all enjoy a wonderful Christmas break, and look forward to seeing you all again in January.

Yours sincerely

Mrs Susannah Connell
Lead Executive Headteacher/CEO
On behalf of The Diamond Learning Partnership Trust
