

Year 3 and 4

News

Friday 27th November 2015

News:

The children are now gearing up ready for Christmas! We are busy learning all our songs and our dances!

Well done to the children who have been learning their timestables! Lots of stars have been collected, keep up the hard work!

ICE Zone:

The children have been busy finishing lots of their big projects off in the ICE zone. Many children have now completed their Roman shields so soon we will be holding a Roman march in the playground!

Literacy:

Year 3 have started planning and writing their very own endings based around our book, 'Ice Palace'. The children have been working very hard to include exciting and appropriate vocabulary for this scary story. Next week, the children will have the chance to find out how their endings compare to the real story.

Year 4 have now moved onto investigating playscripts. We have already looked into the different features found and we are now improvising and performing our own plays!

Numeracy:

Year 3 have been practising their time-telling skills this week. They have been working hard to read analogue and digital clocks. We have also looked at Roman numeral clocks during this time. This topic has been quite tricky at times but they have all worked extremely hard.

Year 4 have been learning all about tricky correspondence problems and scaling problems, they all tried very hard to solve the questions given to them. They are now moving onto learning all about length, including reading scales and estimating and accurately measuring.

Homework

NOTE: This week (WB 23rd) the children have been asked to learn their Christmas words for their homework

We have sent home the literacy homework for the children for the whole term. As usual it is up to the children whether they do it termly or weekly. The weekly option will allow the teacher to pick up any problems quicker and give the children feedback to improve their work.

There needs to still be an hour of Maths Whizz a week for the children.

Children also need to be reading regularly, please record this in their homelink books.

P.E. Kit Reminder

Please make sure that you send in your children with their PE kits on Monday as the days for some PE activities have changed.

Can we please make sure that we send the children in with hats and gloves as the weather has turned much colder! It may still look warm, but we now need our winter coats.
