Dear Parents

Middlefield School Association (MSA)

The MSA has slowly been reducing over a period of time which means that the responsibility has been on an ever decreasing small number of hardworking parents and staff. We recognise this is not because parents do not want to help and support the school but that perhaps the way in which we currently operate is out of date and we need a new way forward.

In order to adopt a fresh approach, we are changing how we fundraise for the next year, but we still need your help and support. In January we will be writing to parents to find out about your new ideas for the best way forward with fundraising for Middlefield children, with a view to re-starting the MSA after Easter.

We are thankful for the hard work that the MSA has put in over the last few years to raise money for the school and hope that this rest will allow more people to become a part of the MSA in the future.

There are still some ways that you can support the school this Christmas as we organise a Christmas Fundraising week for the children to take part in (details of which will be sent out soon). If you have a 'Christmas skill' which may be useful then please contact your child's class teacher or the school office to discuss this.

Yours sincerely
