Dear Parents/Carers

Re: Children's University

Following our first letter regarding the Children's University, our introductory assembly has now taken place. The children are aware of what is involved and are very keen to get started. If your child would like to take part in this scheme please send £5 cash to the office and they will be given their "Children's University Passport to Learning", and their fun journey can begin!

Please find attached some of the local clubs that are affiliated to this scheme. If your child attends any of these clubs, please take their passports along to get stamped. However, if your child attends a club that is not currently affiliated, please talk or get your child to talk to Mrs Dunn who should be able to arrange this with the club. Please note all of the clubs run by members of staff after school will also accumulate stamps.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'S Connell', written on a light blue background.

Mrs Susannah Connell
Lead Executive Headteacher
on behalf of Middlefield Primary Academy (part of TDLPT)
