

9th October 2015

Dear Parents/Carers

We are introducing Children's University at Middlefield Primary Academy for all children in KS2.

This is a wonderful opportunity for children to be acknowledged and recognised for the learning that they do outside of the school curriculum.

We will be launching this in an assembly on Wednesday 14th October at 1.20pm. You are invited to come along to this assembly to find out more about this exciting venture. If you will be attending the assembly can you please return the below reply slip to the office by Monday 12th October.

This is not a compulsory activity and the only cost would be a one off £5 payment mentioned overleaf. The school will manage the admin side of this scheme. We will send another letter after the assembly to determine numbers.

Please see attached leaflet to explain more.

Once again, many thanks for your continued support.

Yours sincerely

Mr J Turner
Associate Head of School
On behalf of Middlefield Primary Academy
