

Year 3 and 4 News

Friday 2nd October 2015

News:

The children are enjoying their 20 minute walk everyday, it really seems to give them a boost of energy that they take into their next lesson!

The school was lucky enough to have an assembly from St John's Ambulance. Here they learnt all about some of the key things to help save a life in an emergency situation.

ICE Zone:

All the children have been hard at work both inside and outside. Lots of the children have really got stuck into making their very own Roman mosaics, which they have found out can be a little bit fiddly!

Outside, lots of the children have been investigating a variety of different insects! They have been researching the different critters they find and drawing some lovely pictures to go with it.

Literacy:

Year 3 have just finished writing their very own fairy tales. They have created some amazing characters along with some very exciting plots! We are now moving onto our non-fiction topic of diaries.

Year 4 are now very confident identifying the features of newspapers. We are now looking into the differences between facts and opinions and also catchy headlines.

Numeracy:

Year 3 have been learning all about 2D shape. They have been describing the properties of shapes, including angles, lines of symmetry and measuring perimeter. Next week we are moving on to mental calculations!

Year 4 worked very hard last week investigating decimals. This week the children are going to focus on the tricky written methods for both addition and subtraction.

Homework

We have sent home the literacy homework for the children for the whole term. As usual it is up to the children whether they do it termly or weekly. The weekly option will allow the teacher to pick up any problems quicker and give the children feedback to improve their work.

Children must still complete an hour of Maths Whizz every week.

Children also need to be reading regularly, please record this in their homelink books.

P.E. Kit Reminder

Please make sure that you send in your children with their PE kits on Monday as the days for some PE activities can change.

Can we please make sure that we send the children in with hats and gloves as the weather will soon be turning much colder! It may still look warm but we will soon be needing our winter coats!
