Dear parent/Carers

Old Book Donations

I would like to put out a call for any donations of unwanted old children's books your child may no longer read.

We find these books really useful as it gives the children a wider range of books to choose from, so would be grateful for any items that could be gifted to us.

Could we also please remind your child to return any books that belong to the school that you may still have at home.

Your continued support is much appreciated.

Yours sincerely
