

Primary PE and Sport Premium Funding 2024/25

Middlefield Primary Academy

Current numbers on roll (nor) Reception – Year 6 = 209

Number of children in Reception and years 1 – 6 who are **eligible** for Sport Premium on the January 2025 School Census =177

Funding received: Total £18,040.00

Background:

The Government have provided funding of £150 million for Physical Education (PE) and sport to schools. This funding should be used to improve the quality and breadth of PE and Sport provision. The funding is for the period 1 September 2024 – 31 August 2025. This funding is ring fenced to be used for sport specific areas to make a sustainable impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

The revised vision for the Primary PE and Sport Premium is:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is expected that schools will see an improvement against the following 5 key indicators:

- 1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles*
- 2. The profile of PE and sport being raised across the school as a tool for whole school improvement*
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport*
- 4. Broader experience of a range of sports and activities offered to all pupils*
- 5. Increased participation in competitive sport*

During the academic year September 2024 to July 2025 we spent our money on the following listed below.

Sport Premium Impact -Expected Indicators	Activity/Actions	Impact / Rationale for spend and desired outcomes	Monitoring/ Evidence
Increased confidence, knowledge and skills of all staff in teaching PE and sport	- YDP coaches continue to be brought into lead teaching of PE in KS1 and build up the confidence, skills and knowledge of support staff, including PE specialist TA who was trained up last academic year. - Specialist coaches also raise the standard of PE attainment across the school	- To raise the quality of teaching in Physical Education and Sport. Develop knowledge, skills and confidence to teach the whole child through physical education and school sport. To increase pupil participation in a range of inclusive activities. - A broader experience of a range of sports and activities are offered to all pupils. - The profile of PE and School Sport is raised across the school as a tool for whole school improvement. - Support staff have increased knowledge and can support high quality physical education in a range of activities appropriate to pupils' age groups.	- Teacher evaluation & lesson observations. - Pupil feedback.
Broader experience of a range of sports and activities offered to all pupils.	- Hunts SSP provide specific sessions to broaden children's experiences of a range of sports activities - SEND festival – run for team of pupils with SEND to compete in a festival atmosphere against teams from other schools	These half day activities provided new activities for the children to try, opening their eyes to new sports and skills	Children able to find a sport for them to try and pursue
Increased participation in competitive sport	- Participation in a wide range of sporting events across all year groups, particularly KS2 - This year, a number of different opportunities explored to increase participation and widen the sporting choice so all children could find something for them - Events were run by HSSP, DLPT, Hunts FA, Kimbolton Prep, YDP and the Priory Cross Country	- Increased participation opportunities in competitive sport for all years KS1 – KS2. 90% of Year 6 children competed in sports competition multiple times – only 4 who didn't was through personal choice - Majority of Year 5 and 6 pupils also given multiple opportunities to participate in competitive sporting activity	- Numbers of children taking part in a range of competitions across the school. - Range of competitive sports widened

	Events sought which targeted specific groups of children – e.g. SEND, middle band who are enthusiastic but not necessarily selected on ability
