

Middlefield Primary Academy -Art and Design

Our children at DLPT can do amazing things, and it is our job to help make this potential a reality. We believe that all learning is enhanced and brought alive through creativity and freedom of expression.

We want to inspire young minds to dream and achieve big.

Learning through the creative curriculum builds confident, resilient and open-minded characters who are inspired to think imaginatively across the whole curriculum and in their own lives.

The children will learn about expression and appreciation and how this links to their well-being and making sense of their lives.

The children will explore, experience, interact with and critique Art first-hand in as many ways as possible from gallery trips to workshops, meeting artists and engaging in large scale and whole school projects. They will become critical thinkers with articulate reasoning skills and a lifelong thirst for enquiry.

Key concepts

1. Observation. Scale, composition and perspective.
2. Texture, tone, shade, pattern, emphasis.
3. Development of ideas. Sketch book work in KS2, experimental pieces and try-out paper in KS1
4. Expression and appreciation.
5. Artistic vocabulary.
