Headteacher: Mrs Carol Besant

12th February 2021

Dear Parents and Carers

World Book Day takes place on Thursday 4th March this year. Although things may not be as they normally would be this year, with your help, we are looking forward to making this a special occasion for our children. World Book Day gives us a chance to celebrate the joy of books and reading.

We would like children to dress up as a character from a book of their choice, whether they are at home or at school. Please don't spend loads on this - here is an opportunity to be creative with what you have! If you have the book the character is from to share as well, even better!

Each class will have their usual class daily Zoom that day when we will be able to celebrate the costumes on display.

Other activities taking place to celebrate World Book Day include listening to stories told by our own teacher and others in the school, activities based on a chosen book and a Reading Challenge that the organisers of World Book Day have devised.

Finally, your World Book Token will be sent out to you digitally this year to print off and use when it is possible to do so. We will send them out as soon as we come back after half term and they will be valid until 28th March to spend in participating bookshops (!) and supermarkets. More information to follow with the token.

We look forward to celebrating books and a love of reading.

In the meantime, KEEP READING!!!!

Yours sincerely

Mr Smith

Assistant Headteacher

On behalf of Middlefield Primary Academy (part of the DLPT)
