School Holiday Care for Children

Dear parents and carers.

Some of you who are key workers, have let us know that you need your child in school on some or all days during the Easter holidays. Thank you for this. If any others of you think that you may need this and have not let us know then please let us know by the end of tomorrow. It would also be helpful to know dates but we understand that this may not be possible.

Bank Holiday Weekend

If you think you need child care over bank holiday weekend (Good Friday and Easter Monday) please let us know immediately. If nobody requires this at present, we will close the school over the bank holiday weekend. However we know that some of you may be called in at short notice. Therefore we are providing an emergency school phone number for you to call should this happen.

The number is 07395930977. It is only to be used if school is closed and you need last minute access to child care. In this situation a member of staff who lives nearby will be able to open the school at short notice. Please call rather than texting and do not use this number for any other reason.

Best wishes

Joan
