Dear Parent/Carers

I wanted to update you following on from the letter that was previously sent out yesterday.

We are continuing to take every opportunity to remind the children about good personal hygiene and we are encouraging the children to wash their hands at various key points during the school day.

We feel that it is necessary to put in place the following sensible measures over the next 3 weeks and review this when we return after the Easter holidays:

- No school assemblies with outside visitors including parents will take place
- No parents to come in for school lunches
- All parent meetings and workshops will be cancelled
- Review of planned educational trips – each year group will be informed separately if a decision is made to cancel a trip

Schools within The Diamond Learning Partnership Trust will only be closed if one or more of the following conditions apply:

- Confirmed case of coronavirus involving children or staff or immediate families
- Government directive from the Department for Education or Public Health England

If the decision is made by the Government to close schools, then the following steps will be taken:

The decision to close schools will be communicated to parents via:

- The school website
- Text message
- Letter (if during the school week)
- Facebook

Your child's education is important and we want to ensure that packs of work/activities/links to websites are given to your child to complete if they are required to stay at home – more details to follow, if needed.
