

13th September 2019

Dear Parents of KS2

Maths Whizz Club

As you are aware it is an expectation of all KS2 children to complete 45 minutes of Maths Whizz homework a week. To help accommodate this, the school will run a Maths Whizz Club on a Thursday after school but as we will have to limit the number of children able to attend, priority will be given to children who do not have internet access at home.

If you would like your child to attend please complete the slip below and ensure slips are returned no later than Tuesday 17th September 2019 so we can advise successful places by Friday 20th September. Spaces will be issued on a first come first serve basis.

If you have any issues with trying to get your child to do their homework at home please speak to their class teacher regarding this.

Thank you for your continued support.

Yours sincerely

Mrs Debbie Chudasama
Head Of School
