

Dear KS2 parents and carers,

We hope you all had a wonderful summer and welcome you back to a new school year!

As always, the children will be expected to complete their maths homework every week however there will be a slight change.

The children will now be expected to complete 45 minutes of Maths Whizz a week and 15 minutes of TimesTable Rockstars a week, totalling the usual 1 hour of maths homework a week. We feel that working on their timestables at home would really boost their attainment in school, plus it's a very fun way to learn!

Your child will be given their usernames and passwords for both of these websites again and they will be shown what to do on the Timestable Rockstars website.

If you have any questions, please do not hesitate to ask your child's teacher.

Many thanks,

The KS2 Team
