

CHILDREN'S UNIVERSITY

Dear Parents/Carers,

The graduation ceremony for children's university participants is on Monday 10th June 2019 at Eaton Socon church.

Further details and an invitation for your child will be sent out in due course, so as an indication of numbers please could you phone or email the school office if you can attend.

Also if your child has a children's university passport, please could they bring them into school on Tuesday 7th May so that I can add up their current hours achieved to ensure that they receive the correct award.

We look forward to seeing you for a lovely evening in June.

Yours sincerely,

Mrs P Ashcroft
