Dear Parents/Carers

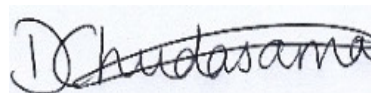

Children's University

The coordinator of Children's University has now been into assembly to introduce their scheme to the children.

If your child is interested in participating in the scheme they will need to purchase a Passport to Learning (which resembles a real passport) which will allow them to collect hours of learning by having their passport stamped by the activity provider. The cost of the passport will be £5.00.

Please complete the form below and return it to the school office to register your child along with full payment.

Yours sincerely

Mrs Debbie Chudasama
