Read-A-Thon 2019

On Monday 4th February, we are holding our first ever Read-A-Thon to raise money for lots of exciting new home reading books for Reception through to Year 6. Children will be reading every day and carrying out some fun and exciting reading activities throughout the week.

There are a maximum of 10 reading opportunities in school and hopefully another 10 at home. You can also sponsor a single total amount as shown on the form below. Reception and KS1 will read for 10 minute blocks, KS2 for 15 minute blocks.

Please collect sponsors on the form below and return your form to school on Monday 11th February, so we can stamp your Reads. Please also record the number of reads in your reading record booklet as well. ☺
