

5th September 2017

Dear Parents of KS2

Maths Whizz Club

As you are aware it is an expectation of all KS2 children to complete an hour of Maths Whizz homework a week. To help accommodate this, the school runs two sessions of Maths Whizz Club on Tuesday and Thursday after school. However, the club is so popular that we are now having to limit the number of children able to attend. Priority will be given to children who do not have internet access at home.

Therefore, could you please complete the slip below and state your preferred day for your child to attend Maths Whizz Club. Spaces will be issued on a first come first serve basis but we will ensure that all children are given a space at one or other of the days. Please ensure slips are returned no later than the morning of Friday 8th September 2017.

If you have any issues with trying to get your child to do their homework at home please speak to their class teacher regarding this.

Thank you for your continued support.

Yours sincerely

Mrs Hannah Connor-James
Head Of School
