

27th January 2017

Dear Parents/Carers

This week at school we have had an assembly on Road Safety in order to make the children aware of the dangers around roads and how to keep safe. We shared with the children all about the Green Cross Code, as well as the importance of wearing bright clothes in order to stay visible. With this in mind, we thought it would be really good to share some videos for you to look at that would be appropriate for you to watch with your children. Some of these videos have already been watched in school but it is always good to remind the children and watch them again.

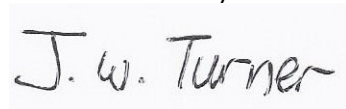

These videos are on the below website under, 'Tales of the Road.' There is lots of really useful facts on this website so please do look:

<http://think.direct.gov.uk/>

When walking to school, please do have conversations with your children about how they should cross the road to reinforce this message. If you do have to drive in, please can you also help to make the roads around our school as safe as possible and leave a couple more minutes in the morning and park a few streets away. This helps to make the roads around the school as safe as possible. There are some mornings where the parking and manoeuvres close to the school entrances are unsafe with so many children around.

Thank you for your continued support,

Yours sincerely

A handwritten signature in black ink that reads "J. W. Turner". The signature is written in a cursive style with a horizontal line under the name.

Mr John Turner
Associate Head Of School
