Dear Staff, Parents and Carers,

The expansion of the Trust

The aim of The Diamond Learning Partnership Trust is to create schools where every child achieves the highest possible standards through a relentless focus on high quality teaching and learning. We firmly believe that we are achieving this in part because of the collaborative way that we work between our schools. Ofsted has also agreed that this is the case in all our recent inspections.

That is why I am delighted to tell you that the Diamond will be developing a second hub in Fenland. In February Glebelands Primary School in Chatteris and Thomas Eaton Community Primary School in Wimblington will be joining our Trust. They will form the new hub of the Trust in the Fenland area. We are all very excited by all the opportunities this will give to all the children in our schools.

Yours sincerely

Susannah Connell
